**III. Academic Senate for CA Community Colleges Part-time Faculty Institute -  
Carol Whaley/David Milroy**

**Pros: a few good breakout sessions:**

**academic freedom: how much can you criticize Trump?**

**Titles: what we call ourselves affects how our students. "Professor" "Dr." first name?**

**Cons: more of the same bullshit**

**The hotel was upscale, if they have so much money to throw around why they can't we get equal pay for equal work?**

**focus on getting full-time jobs, this is the safe policy, and hasn't happened in 40 years**

**All the presenters were full-timers**

**If you want to succeed, suck up to your Deans and Chairs**

**Join the Academic Senate because it looks good on your resume, instead of advocating for part-time issues.**

How to not become a certificate mill: Retroactive degrees, no differences.

Part-time faculty Line-items have been zeroed out.

**VII. Opportunities for getting paid**

The Chancellor says you can get paid independently, and not go over the .67%  
getting paid for mandatory training.

**VI. What Workshops/Topics Would YOU Like to See at Future SDAFA mtgs/FLEX? -  
Carol Whaley**

**VII. Open Q&A**
